Slide 4

Statistical Mega-Sources

- Venerable Statistical Abstract of U. S.
 - Links to 49 states (Michigan is not listed)
 - District of Columbia

Slide 5

Statistics from Surrounding States

Illinois	Tennessee
Indiana	Virginia
Missouri	West Virginia
Ohio	

Slide 6

Advantages

- Most authoritative source of statistics in the state
- Identifies source for additional statistics, either by named agency or report name
- Often good source for longitudinal data

Slide 7

Differences

- Not every state has an official "Statistical Abstract" publication
- Many states rely on their largest state university to compile the statistics,
– frequently in the Economics or Research Departments
- Publication not consistently produced annually

With Statistics you can prove both...

*"I wish you would make up your mind, Mr. Dickens.
Was it the best of times or was it the worst of times?
It could scarcely have been both."*
